Tender Park – Application Form

2022

The annual fee for tender parking bays is £40.00 for the season.

The Committee has now introduced some clearer guidelines to meet the terms of the lease and ensure that our members enjoy the benefits for which they pay.

Applications will be dealt with only on receipt of this form accompanied by the appropriate **cheque** and a **stamped, addressed envelope**. We will attempt to honour members' request for particular bays and give due regard to previous paid up occupation. Because of the increasing demand on this facility it is imperative that applications should be made early to avoid disappointment. They must only be made direct to the Tender Park Secretary whose name and address is listed below.

A successful applicant will be allotted a numbered bay and given a 2022 DYC sticker which must be prominently displayed at all times. Failure to meet this requirement may result in the tender being removed. In addition the bay number and the mooring number should be painted on the hull for ease of identification and to ensure the tender is not inadvertently removed.

- All occupants *must* have Third Party Insurance cover.
- **Tenders *must* be removed from the tender park by 31st October**
(Any property left in the bay after that date will be removed and impounded. A charge of £50.00 plus £5.00 per week thereafter, or the actual cost to Dale Yacht Club, whichever is the greater, shall be levied and must be paid prior to the release of the boat or other property. Dale Yacht Club expressly reserves the right to sell the boat and/or other property to cover any additional charges.)
- Applications will *only* be considered from fully paid up members.
